

## **Special Notes:**

1. There is open enrollment from September through December during the current school year. New students are not admitted after January 1.
2. This is a peanut-free school. No peanuts or peanut related products will be served.
3. The school provides a child with a learning experience in a Christian setting. Many opportunities are found to talk about God's love and what God has given us.
4. The school is NOT a daycare center. It is a learning experience that involves parents as well as children.
5. The school has dedicated teachers willing to give extra time and energy to make it a superior experience for your child.
6. Opportunity is provided within first months of preschool for teachers and parents to evaluate the child's adjustment to the school situation.
7. There is opportunity for parents and teachers to meet and evaluate the student program throughout the year.
8. For your safety students must be brought into the classroom each session and picked up in the classroom after each session by parents or designated person. Upon arrival, parent/guardian signs child in and indicates name/phone of designed person who will pick up the child that day.
9. For safety sake have children wear comfortable play clothes such as slacks or jeans and rubber-soled shoes.
10. If the child has a disability, please request a special meeting with the teacher before school begins.
